AMENDMENT

Honorable Assistant Commissioner for Patents
Washington, D. C. 20231
Sir:

In response to the Office Action mailed June 19 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as set forth below and in the attached appendix:

18. (Amended) Brush holding apparatus for at least one carbon brush comprising a base plate having a ground wall and including at least one brush guide, a spring element constructed and arranged for urging a carbon brush having a longitudinal axis parallel to the ground wall, mounted in the at least one brush guide in a direction towards a commutator or slip ring, and a retaining element mounted to the base plate adjacent to the at least one brush guide and including means
